

Marine Travel
time and tide wait for no man

The Manifest - September 2024

We now have direct access to marine fares with JetBlue

JetBlue serves 100+ destinations in the U.S., Latin America, Caribbean—and now London—with low fares and award-winning service. The JetBlue experience includes services such as free high-speed wi-fi and live TV/movies at every seat, along with free snacks and drinks. Additionally, they have the most legroom in economy.

Mint®—JetBlue’s refreshing take on premium travel—is available on select coast-to-coast and international routes, and features fully lie-flat seats and suites, a small plates menu and beverage service curated by our NYC restaurant partners, tons of free inflight entertainment, unique wellness kits and more.

Meet the team - Oliver

Oliver, joined our reservations team in 2023, bringing a wealth of experience in the travel industry. Oliver's background is diverse, encompassing roles in travel and administration within both business and leisure sectors across various countries.

He is dedicated to forging strong relationships with our customers and suppliers alike and going above and beyond to deliver exceptional service whether it's for an individual or a group

booking.

With his excellent geography and airline knowledge, he is well-equipped to handle the intricate travel requirements of marine and offshore professionals.
